Appellant's name: Mr and Mrs S Haynes

Appeal Start Date 19th March, 2010

A letter has been received from Three Rivers District Council advising that – an appeal has been made to the Secretary of State for the environment under section 78 of the Town and Country Planning Act, -1990 in respect of the above development:- The Appeal follows the refusal of planning permission by this Council for the following reasons:-

1. Demolition of the listed outbuildings would have a detrimental impact on the character of the listed buildings which derive group value from the relationship of the cartilage buildings in their current location. Loss of the cartilage listed outbuildings would fail to preserve the setting and relationship of the group.
The proposed demolition would adversely impact the special interest and setting of the listed buildings contrary to Policy C9 of the TRDC Local Plan 1996-2011.

Appeal Start Date 22nd March, 2010

A letter has been received from Three Rivers District Council advising that – an appeal has been made to the Secretary of State for the environment under section 78 of the Town and Country Planning Act, -1990 in respect of the above development:- The Appeal follows the refusal of planning permission by this Council for the following reasons:-

1. In the absence of an acceptable redevelopment scheme for the site the demolition of the existing building would lead to a vacant site which would be detrimental to, and fails to reserve or enhance, the character and appearance of the Outer Loudwater Conservation Area. The proposal would therefore be contrary to Policy C6 of the Three Rivers Local Plan 1996-2011.

c. **Town & Country Planning 1990, Section 78**

1. The proposed dwelling by reason of the cumulative effect of its inappropriate design, excessive scale, footprint, height, mass, bulk and proximity to the highway would be an obtrusive and excessively prominent form of development leading to a perception of overdevelopment that would fail to preserve or enhance the character and appearance of the Outer Loudwater Conservations Area or wider street scene contrary to Policies GEN3 and C1 and Appendix 2 of the Three Rivers Local Plan 1996-2011.
