

Final External Auditor Report and Certificate 2017/18 in respect of Chorleywood Parish Council HT0029

Respective responsibilities of the body and the auditor

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with Proper Practices which:

- summarises the accounting records for the year ended 31 March 2018; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and does not provide the same level of assurance that such an audit would do.

External auditor report 2017/18

On 28 September 2018 we issued a report detailing the results of our limited assurance review of Sections 1 and 2 of this authority's Annual Governance & Accountability Return for the year ended 31 March 2018. We explained that we were unable to certify completion of the review at that time. We are now in a position to certify completion of the review.

The external auditor report given in Section 3 of the Annual Governance & Accountability Return requires amendments as follows:

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The AGAR has not been signed in accordance with the Accounts and Audit Regulations 2015 as Section 2 was not signed by the Responsible Finance Officer before approval.

Other matters not affecting our opinion which we draw to the attention of the authority:

In the completion of the internal auditor's detailed report, the internal auditor has drawn attention to petty cash as the maximum holding should be £200. Information received from the smaller authority shows the amount held is £293. The smaller authority must ensure that action is taken to address this area of weakness in a timely manner.

The smaller authority has not provided:

- one of the year end bank statements to support the bank reconciliation to Section 2, Box 8. These were requested as part of our intermediate review procedures. We note that NS&I only produces an annual statement. The clerk has provided a statement as at 1/1/2018, but we have been unable to verify the year end balance.

External auditor certificate 2017/18

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance & Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2018.
